

Stathern Primary School

Open admission
for 2024

Before and After School Club

Well equipped climbing
area and school grounds

Specialised EYFS unit

'Nurture, Inspire, Discover, Create'

[Open Days, Thursday, 26th October, 5:30-6:30pm](#)

[Tuesday, 31st October, 1:30-2:30pm](#)

We warmly invite you to come and look around our wonderful school and surroundings. At the Tuesday session you will be able to see the 'school in action' with children learning and playing. If you are able to attend in the evening, the staff will be on hand to talk to you, and you will be able to see the rich learning environment, on offer.

If you can't make this day, we are happy for you to come to an after school appointment. Please call the office on 01949 860316

We look forward to meeting you and giving you the opportunity to see how wonderful our curriculum is, and how happy our children are.

'Nurture, Inspire, Discover, Create'

Open admission
for 2023

About us...

We, at Stathern Primary School, pride ourselves on our motto of 'Nurture, Discover, Inspire, Create'. These form a basis of everything we do and are embedded straight away, as the children enter our EYFS unit in Class 1.

The small class size of up to just 17 children allows us to deliver an engaging and personalised curriculum for every child.

Set in the heart of the Vale of Belvoir, Stathern Primary School is surrounded by wonderful countryside. We enjoy taking full advantage of this nearby beauty and community by going on our woodland walks, exploring the outdoors in all weather, building knowledge and relationships and growing as learners to be resilient, kind and curious problem solvers.

About us...

We are really lucky to have four classes throughout the school. All of these classes are lead and supported by experienced and highly skilled members of staff. We are delighted to share that we provide fantastic cross curricular topics, hands on experiences and a wide range of opportunities for all the children at Stathern Primary School.

We also believe that you as a parent should have the opportunity to look around the education setting you wish to send your child to - to get a 'feel' for and see if it is right for your children and family. You can find more information about our school on our [website](#).

Admissions deadline for a Primary place is: 15th January 2024
Applications to Stathern can be found here:

An abundance of extra curricular Opportunities, from bikes to cooking.

Reception Parent (2023): **My son has grown in confidence and loves school- that's all that matters to me - he's happy and making good progress. He loves seeing the puppy !**

Acknowledgments

***Amazing Team in Class 1 - my son is very happy—
Class 1 parent—from the 2023 Parent Survey***

The school is ...Community and family focused. Small enough to have a good connection with the children and families, building pupils' confidence, supporting them to do great things through learning, but also fun activities. - Parent Survey 2023
