Admission Arrangements

Admission arrangements for Stathern Primary School are determined by the Leicestershire Authority ('LA').

Stathern Primary School strives to be a fully inclusive school. It acknowledges the range of issues to be taken into account in the process

of development. All pupils are welcome, including those with special educational needs and disabilities, in accordance with the LA's admissions policy.

For pupils with an EHCP the LA determines admission, having regard for parental preference and in consultation with the Governing Body and the School's Admission Policy.

Special Provision

Identification and Initial Assessment of Needs

We accept the principle that pupils' needs should be identified and met as early as possible. The SENCO works closely with the school assessment co-ordinator using whole school data as an early identification indicator. Whole school data is also used to monitor and evaluate the progress of pupils identified as having SEND.

The school adopts the levels of intervention as described in the 2015 SEND & Disability Code of Practice.

We use a number of additional indicators of special educational needs including:

- the analysis of data including entry profiles, Foundation Stage Profile, SATs, reading ages, annual pupil assessments
- the completion of teacher initial concern forms
- following up parental concerns
- pupil self - referral
- tracking individual pupil progress over time through the provision map the document the school uses to track support and progress) and Individual Education Plans ('IEP')
- liaison with feeder schools on transfer
- information from previous schools
- information from other services
